

AIR QUALITY CONTROL

4582 28TH STREET NORTH - ST PETERSBURG, FL 33714

(727) 347-0202

WWW.AQC-FL.COM

Air Quality Control is a locally owned and operated company that has been serving the greater St Petersburg area since 1985.

As a Carrier Factory Authorized Dealer, our professional and certified technicians are here to assist with all of your installation, repair, and service needs.

Our Comfort Club Preventative Maintenance Plan can extend the life of your equipment while improving your comfort, indoor air quality and improving energy efficiency.

We also offer additional services such as duct-cleaning, UV light systems, and an array of air filtration methods.
